## December

- **Christmas cake and card evening** will be arranged for early this month.

There will probably be other events during this period so if you want to be involved please keep checking the notice board at the back of the church. It is not always possible to have events highlighted in the newsletter on a Sunday so the notice board is crucial in keeping everyone up to date with what is available for the ladies of the Parish. We hope that everyone will feel welcome and that you will "dip in" to the activities on offer.

We are grateful to Fr Barr for the support and encouragement he has given this initiative from the start last year. We promise him that we will start a knitting group very soon!!

We also offer our support and assistance, and even our expertise, to the men of the Parish should they wish to organise any activities!

Thank you all for your support and interest.
